**Inside The Numbers**

The stats from the opening frame reflect the statistical tendencies of both fighters- Murtazaliev outworked Tszyu, throwing 18 more punches than Tszyu, while Tszyu was more accurate, landing 36% of his punches. Murtazaliev steamrolled Tszyu in the second round, landing 32 punches and knocking down Tszyu in the opening minute, again at approximately the halfway point of the round, and scoring a third knockdown in the closing minute of the round. Tszyu was reduced to throwing with Murtazaliev in a desperate attempt to land a fight-changing haymaker, but he never found that punch. Murtazaliev scored a fourth knockdown in the third round and Tszyu's corner threw in the towel at 1:55 of the third round. Tszyu and Murtazaliev were neck and neck in terms of accuracy, but Murtazaliev doubled up Tszyu in power punches landed.
