Inside The Numbers

Just as Nonito Donaire commented that Juarez's jab was lazy, Layton countered Juarez's jab and sent him down hard with two minutes remaining in the first round. Juarez survived, but he looked very wobbly. As Layton pressed, Juarez held on to survive, and was docked two points for holding. Just as it looked like Layton was going to win by knockout or disqualification, Juarez landed a haymaker that sent Layton down. With renewed vigor, Juarez pressed and scored another knockdown. In the waning minutes of the first round, Juarez scored a third knockdown with one second left, which caused the referee to halt the bout.
