	19.9%	14.6%	27.7%

Inside The Numbers

Johnstone averaged 77 punches thrown in the first and second rounds. (It should be noted that the first round was a four minute round.) Brown didn't quite match Johnstone's work rate, but out-landed Johnstone 55-31 over the first two rounds. Brown landed a wicked left hook overhand right combination that put Johnstone down and out 44 seconds into the third round.
