Inside The Numbers

Garcia further removes the stench from the Roly loss with a 2nd round blowout of the seemingly weight drained and outclassed Benn. After a close first round, Garcia's blend of power & speed caught the Brit with a howitzer of a right hand and put him down in the first minute of round two. Benn beat the count but could not mount a response, as Garcia unloaded until the referee stepped in. Garcia landed 13 punches in round two- all power shots.
