Inside The Numbers

Inoue retained his WBC bantamweight title for the second time by beating Nasukawa for the second time in 10 months. He did so by overcoming a seventh-round knockdown (left cross to the chin) and a vertical cut over the left eye (accidental butt) in the final minute of the bout. Nasukawa was more active (41.5 punches per round to Inoue's 35) but Inoue's better consistency and accuracy gaps of 29%-20% overall, 13%-7% jabs and 38%-27% power superseded Nasukawa's body work (he led 36-25 in connects). In all, Inoue prevailed 121-99 overall, 20-12 jabs, 101-87 power and 6-4-2 in the CompuBox round-by-round breakdown of total connects. Scoring: 116-111 (2x), 114-113 I.
